Grow Light Systems With Air Cooling Ability

Hydrofarm Radiant Reflector

The Hydrofarm Radiant reflector is designed to deliver the brightest possible light down to your plants with the most powerful, even, deep light penetration pattern. The patented double-wall design and generous reflective cavity make it the coolest running fixture on the market. Constructed of heavy duty pre-galvanized steel and lined with high purity European aluminum, the Radiant will provide years of dependable growing performance.

- Cool running patented double-wall design allows placement of light closer to plant
- Multi-faceted computer-designed aluminum interior for maximum efficiency
- Made from premium German materials, 99.85% pure 95% reflectivity
- Hangers included
- 25 year warranty on reflective materials

Size: 9 3/8" H x 21" W x 21" L

Grow Light Systems With Air Cooling Ability

Hydrofarm Daystar Reflector

The Hydrofarm Daystar reflector uses the highest purity and efficiency European aluminum and was designed by the finest reflector engineers in the country. Its combination of uniformity and efficiency is unsurpassed in our industry. The Daystar delivers light in a broad and uniform pattern, and is recommended for high intensity low clearance or broad spread lighting applications.

- Super efficiency with both 1000W sodium and halide bulbs
- Low profile design for lower clearance areas
- Patented cool running double-wall design
- Compact and lightweight; easy to hang
- Designed exclusively for Hydrofarm by America's foremost lighting design engineers
- World's finest European reflective specular aluminum; 99.85% pure with 95% reflectivity
- 25 year warranty on reflective materials

Size: 7 3/8" H x 12 1/2" W x 18 1/2" L

Grow Light Systems With Air Cooling Ability

Hydrofarm Xtrasun Reflector

The Xtrasun series offers excellent performance at a cost effective price. solidly built, compatible with all Hydrofarm or Xtrasun ballasts, and priced to fit any budget.

- Bright and broad spread of light
- Air cooled ability with optional flanges & glass insert
- Highly reflective European specular aluminum
- Low profile
- Super value
- 5 year warranty on reflective materials

Size: 8" H x 21" W x 19.25" L

Air Cooled Grow Light Systems

Hydrofarm Radiant AC 6" or 8" Air Cooled

Radiant Air Cooled Reflectors are super sized, air-cooled, lensed units; based on our popular high performance Radiant reflector. High efficiency design with a premium European specular aluminum interior means more light from the coolest running design ever offered by Hydrofarm.

- Same quality specifications as Radiant Reflector
- Includes 6" or 8" flanges that enable higher air flow for cooler temperatures and more reflectors in-line
- Tempered hinged glass lens with sealing foam included
- Comes with built in socket and 15' pre-wired lamp cord

Size: 9 3/8" H x 21" W x 25" L

Air Cooled Grow Light Systems

Hydrofarm Daystar AC 6" Air Cooled Reflector

The Daystar AC utilizes the same patented double wall design and reflective material as our flagship Daystar unit. The "AC" adds two 6" built-on flanges for cooling air flow from an optional fan. The 6" diameter encompasses most of the tunnel-like interior ensuring more complete air flow than common air cooled units. This combination allows for closer plant placement plus better growth, and improved ability to control growing area temperatures.

- Same incredible light delivery as the Daystar
- Built in socket and 15' lamp cord for quicker, easier installation; no extra cord set required
- Cooling allows positioning closer to plants for best results
- Enclosed wiring channel protects wiring
- Improved fully sealed tempered glass lens included
- 25 year warranty on reflective materials

Size: 7 3/8" H x 12 1/2" W x 22 1/2" L

Hydrofarm Xtrasun 6" Air Cooled Reflector

The Xtrasun series offers excellent performance at a cost effective price. solidly built, compatible with all Hydrofarm or Xtrasun ballasts, and priced to fit any budget.

- Bright and broad light delivery
- Air cooled capability
- Built in 6" flanges
- Low profile design
- Highly reflective European specular aluminum
- Built in socket and cord set
- Completely sealed removable lens system for easy bulb exchange

Air Cooled Grow Light Systems

Hydrofarm Cool Tube 6" Air Cooled Reflector

- Superior packaging protects unit during shipping and handling
- Internal and external reflectors included
- Highest quality European aluminum
- 15' 600v cord and mogul socket included; easily attaches to any Hydrofarm ballast
- The most compact and effective way to get bright light over, or in your growing area
- Streamlined design allows cooling airflow to move unimpeded, keeping growing area temperatures lower and allowing you to position your lamp very close to your plants
- Can hang vertically down into the plant canopy and is ideal for enclosed growth chambers
- Accommodates most lamp types up to 1000w

- **"In Store Only" = No Shipping Available**

We will calculate the exact shipping charge for these items and add this to your total before shipment. If a SHIPPING CHARGE applies to your order, we will add it to the merchandise total and charge your credit card. This information can be given to you at the time the order is placed (necessary for money order payments). If you live OUTSIDE THE CONTINENTAL US, we will generate a quote for your shipping cost and inform you after you place the order.

SALES TAX– Shipments to any address in New Mexico are subject to sales tax, currently 7%. AHL does not collect sales tax on orders shipped outside the state of New Mexico.

FOREIGN ORDERS– AHL does NOT accept credit cards for orders shipped outside the US. After you submit the order form, we will email you with the shipping options and costs. We will also provide you with the payment options.

SHIPPING INFORMATION– All orders are sent UPS Ground or USPS Priority Mail except for shipments to Alaska, Hawaii, or outside the US. Delivery dates are only estimates due to UPS volume fluctuation. All orders sent FOB (Free on Board) Albuquerque, New Mexico, unless otherwise notified.

EXPEDITED SHIPPING– UPS 3-Day Select, 2nd Day Air, or Next Day Air delivery service is available on some items. Saturday delivery is also available in many areas. Please inquire when you place your order for options and cost.

SHORTAGES– You must notify us of any shortage within 3 (three) days of receiving merchandise.

METHOD OF PAYMENT– AHL accepts payment of Visa, Mastercard, American Express, Discover, Money Order, or COD (see SPECIAL NOTES FOR COD). AHL does not accept personal checks.

DAMAGES– If any damages have occurred during shipping, please call AHL immediately so the problem can be resolved as soon as possible. We will issue a return of goods authorization (RGA) number and arrange for the products to be returned. We will replace the merchandise after the return of the damaged merchandise.

RETURNS– AHL does not give cash refunds. New merchandise (with the original receipt, packing material and instructions) may be returned within 15 (fifteen) days for store credit. Under no circumstances will AHL accept any returns that have been used, except in the case of defective merchandise. Before returning merchandise, please contact AHL for a return of goods authorization (RGA) number. We will not accept any returns without an RGA number. For returns by mail, the customer is required to pay the freight to AHL and AHL will pay for return freight to the customer, if applicable.

SPECIAL NOTES FOR COD– All COD orders are subject to an additional charge of \$8.50 per box. First-time buyers are not eligible for COD. For large COD orders, partial prepayment may be required before shipping. Please provide your telephone number in case delivery questions or problems occur.

CREDIT CARD ORDERS– All credit card orders must be shipped to the credit card billing address. At our discretion, we may allow shipment to an alternate address. For all types of credit cards, including Visa or Mastercard DEBIT cards, we verify cardholder name and address information with the card issuing bank. Credit card users must supply a phone number and/or email address in case we need to contact you regarding the sale. All credit card sales are subject to AHL approval, and will be held until the verification process is complete. In case of credit card fraud, AHL will vigorously pursue resolution with all appropriate authorities.

SPECIAL ORDERS– AHL is happy to place special orders for customers. Please contact us if you don't see what you need in our product listing. Special orders must be prepaid, and no returns are accepted on any special order item.

PRICES AND INVENTORY– Subject to change without notice.

WARRANTY– All AHL Hydroponic Systems come with a two-year limited warranty. All other products are subject to the manufacturer's warranty. Contact AHL for warranty information on any product if not stated in catalog. AHL makes every effort to bring you the highest quality indoor gardening products on the market, and we are committed to offering educational resources and technical advice to encourage success. However, none of our products come with a guarantee of success, either expressed or implied.

LEGAL– AHL is a duly licensed and taxpaying company, and we respect all local, state, and federal laws. Any customer who makes any reference or inquiry (by phone, fax, email, or in person) about using our equipment for illegal activities will be prohibited from purchasing products from AHL.
